

PRAVEEN S

Electronics and Communication Engineering Student

+91 9159285636 | praveen.signes@gmail.com | Coimbatore, Tamil Nadu | github.com/pravin-maker

CAREER OBJECTIVE

To leverage my growing expertise in electronics and communication engineering — particularly in embedded systems, microcontrollers, and IoT-based solutions — by contributing to real-time, industry-relevant projects. Eager to apply hands-on technical skills gained through academic projects and internship experience, while continuously building practical knowledge in digital technologies and automation.

EDUCATION

B.E. Electronics and Communication Engineering 2023 – 2027

Coimbatore Institute of Engineering and Technology, Coimbatore

INTERNSHIP

Embedded Systems Intern — LetsIntern 1 Month

- Completed a 1-month internship in the embedded systems domain via the LetsIntern platform, applying hands-on knowledge of microcontrollers and embedded programming.

MINI PROJECTS

IoT-Based Event Registration System

Smart Home Automation

Smart Gas Leakage Detection and Electrical Safety System using ESP32

...and more

SKILLS

- C, C++
- Microcontrollers
- Embedded C
- Soldering
- Home Electrical Wiring

WORKSHOPS & CERTIFICATIONS

- AI Upskilling Certificate: Technical Foundation — Qualcomm
- PLC & DCS
- Retrieval-Augmented Generation (RAG)

LANGUAGES

- English
- Tamil
